CARRIAGE PARK CONNECT

JUNE 2026

A father's love is a compass guiding us through life. Their love is the quiet force that propels us forward every day. We thank them for being there through thick and thin, for teaching us right from wrong, again and again. We cherish the memories we've made and hope this Father's Day is extra special too! We celebrate all our great fathers June 18th at our "Fathers day BBQ", families invited!

We want to give a big **"Shout Out"** to our medal recipients at our National Senior Health and Fitness Day. Alvin, Karen, Ruby, Sara, Joan C. Allan, Rodney and Nancy. Lets all keep moving towards continued good health!

Welcome to the start of summer concerts. We will start off with the Plymouth Community Band. June 4th enjoy **"PCEP Symphony Band"**, June 11th, **Plymouth Community Band "Liberty and Justice for All"** June 25th **"Liberty and Justice for All"**. We will continue throughout the summer visiting Canton, Belleville and Livonia evening concerts!

We will be having a baking demo with Kathleen, our pastrey Chef and a cooking demonstrating with Chef Josh. You must reserve a spot so please check availability at concierge desk.

Most of all we wish you a beautiful summer and remember **"Summer has a flavor like no other. Always fresh and simmered in sunshine."**

EMPLOYEE SPOTLIGHT
MADY FORMOSA

Madelyn (Mady) has been chosen “employee of the month” She is such a great addition to our Waltonwood team. She is coming up on her third year with us. Mady shows her caring and loving spirt with all of our residents. Mady does a great job balancing school, work and tutoring students in math. Also picking up shifts when needed, Mandy is a graduate of Plymouth High School and will be attending college to study the nursing field. Mady is a ray of sun shine and we look forward to her bright future!

FOREVER FIT/WELLNESS: Alzheimer’s and Brain Awareness Month

June is Alzheimer’s and Brain Awareness Month, an annual observance raising awareness on Alzheimer’s disease and other dementias. For years the Waltonwood family has partnered with the Alzheimer’s Association to support the mission of a world without Alzheimer’s and other dementias. While there still may not be a cure, taking proactive steps and developing healthy lifestyle habits have been shown to slow the onset of the disease and delay its debilitating effects. Much like heart heath, cognitive health can benefit greatly from increasing physical activity and exercise, eating a well-balanced nutrient rich diet and effectively managing stress. It’s never too early or too late to start taking better care of ourselves and small changes today can help lead to healthy years to come.

EXECUTIVE DIRECTOR CORNER

As the warmer weather and summer season approach, we encourage everyone to stay cool, enjoy the sunshine safely, and remember to stay hydrated throughout the day. Drinking plenty of water is especially important during the hotter months, whether you are participating in outdoor activities, taking walks, or simply enjoying time with friends and neighbors. Thank you to everyone who joined me for “Tea Time with Tabitha!” I truly enjoyed the opportunity to connect and spend time together. Our next Tea Time will be held on Wednesday, June 10th from 11:30 a.m. to 12:30 p.m. This is an open opportunity to discuss anything related to the community, share ideas, ask questions, or simply spend time getting to know one another better.

Also, save the date for our Father’s Day BBQ on Thursday, June 18th! More details and a flyer will be coming soon. Thank you! ~ Tabitha
