JULY 2026

WHAT’S HAPPENING THIS MONTH

Happy Birthday America!

We will have a bunch of fun happening in and around the fourth. There will be a cookout on the 3rd and we will also be going to The Charlotte Museum of History to see a special interactive exhibit about the American Revolution. Also included is the 1774 Hezekiah Alexander Rock House, the oldest surviving house in Mecklenburg County. On the fourth itself we will have trivia, a sing along, patriotic popsicles and an afternoon social. Be sure to check out the lights in the courtyard. We read a book about the Founding Mothers for book club and Wiser Wednesday lectures will teach us more about this time period. Also, for travel treats this month we are going to Colonial Williamsburg. Wear your Red, White and Blue!

On the 7th we will have a fraud prevention seminar in the Garden room at 10 am. Stay up to date on protecting yourself from scammers.

On the 12th we will go to Matthews Playhouse to see the musical Hairspray. Tickets have already been purchased for this outing.

On the 22nd we will be celebrating our Gorgeous Grandmas here at Waltonwood with tea and treats in the game room.

We have welcomed quite a few new residents at Waltonwood in the last month or so. We encourage new residents as well as those that have been here for a while to try something new!

We would also like to welcome Kelly, our new Independent Living assistant.

Proper Preparation

Summer’s the perfect time to mix things up and take our exercise routine outdoors. The fresh air and sunshine are the perfect combination to help reinvigorate the mind, body and soul. Before you head out the door ask yourself one thing, “What’s the weather?” While knowing the temperature is a good start looking at other factors like humidity, dew point, air quality, precipitation and wind speed can also greatly impact the overall safety and enjoyment of your exercise experience. If you happen to be an individual who also suffers from respiratory issues, a quick check of the weather before you head out the door is an even more important first step. This summer get to know the elements because the better prepared you are for the conditions the better your exercise will be.

TRANSPORTATION INFORMATION

Waltonwood offers transportation for medical appointments on Tuesdays, Wednesdays, and Thursdays. Please notify the Concierge of your appointment 24-48 hours in advance with the time, date & location. After reservations are made, each resident will be advised of a departure time within 24 hours prior to each appointment. Appointments will be scheduled between the hours of 8:30 am and 3:30pm, within a 10-mile radius. A Waltonwood driver will drop off & pick up residents in as timely a manner as possible. Please note appointments that are beyond a 10-mile radius will acquire a \$2.00 charge per mile for every additional mile.

In order to ensure the health and safety of our residents and bus drivers, residents must sanitize their hands before and after boarding the transportation vehicle for their appointment.

Each month we have outings to banks, shopping centers, pharmacies, restaurants, grocery stores, and other places. Please see the calendar for specific dates and times and sign up at the table by the mail boxes.

EXECUTIVE DIRECTOR CORNER

Its summertime in the south and it is hot! We just completed our annual Camp Waltonwood and I think everyone had a great time. John Lewis was a hit as always and the exotic animals really held a captive audience. There’s even a picture with a parrot on my head. I’m a big Jimmy Buffet fan but this gave new meaning to being a parrot head.

We are looking forward to celebrating the 4th of July. On the 3rd we will be having picnic food with burgers, hot dogs, and fried chicken. Yes, there will be watermelon and pie.

As we enter July, I encourage all to take precautions with the heat. We have a hydration station at every entrance desk. If you want to go outside, I encourage all to go in the AM. After noon its just too hot. Remember if your thirsty- drink water and if you’re not thirsty – drink water.
