PROPER PREPARATION

Summer's the perfect time to mix things up and take our exercise routine outdoors. The fresh air and sunshine are the perfect combination to help reinvigorate the mind, body and soul. Before you head out the door ask yourself one thing, "What's the weather?" While knowing the temperature is a good start looking at other factors like humidity, dew point, air quality, precipitation and wind speed can also greatly impact the overall safety and enjoyment of your exercise experience. If you happen to be an individual who also suffers from respiratory issues, a quick check of the weather before you head out the door is an even more important first step. This summer get to know the elements because the better prepared you are for the conditions the better your exercise will be.

TRANSPORTATION INFORMATION

JULY SPECIAL EVENTS

3 Patriotic Happy Hour

7 Lucky 7 Day

9 Annual Hot Dog Night

23 Gorgeous Grandma Day

Its summertime in the south and it is hot! We just completed our annual Camp Waltonwood and I think everyone had a great time. John Lewis was a hit as always and the exotic animals really held a captive audience. There's even a picture with a parrot on my head. I'm a big Jimmy Buffet fan but this gave new meaning to being a parrot head. We are looking forward to celebrating the 4th of July. On the 3rd we will be having picnic food with burgers, hot dogs, and fried chicken. Yes, there will be watermelon and pie. No fireworks here but there are several local venues that will shoot off fireworks. If you go outside and are up late enough there may be some fun in the sky. As we enter July, I encourage all to take precautions with the heat. We have a hydration station at every entrance desk and please keep some waters in your fridge. If you want to go outside, I encourage to go in the AM. After noon its just too hot. Remember if your thirsty- drink water and if you're not thirsty – drink water. First two months of hot so just go a little slower. Football season and cooler weather will be here before you know it.
