FATHER'S DAY DINNER

Our Father's Day BBQ Buffet was a wonderful evening filled with great food, laughter, and time spent with family and friends. A huge thank you to our incredible kitchen team for preparing such a delicious meal and helping make the celebration so special for our residents and their loved ones!

JUNETEENTH

We were honored to celebrate Juneteenth with a meaningful afternoon recognizing the history, resilience, and rich cultural traditions that make this holiday so important. Residents gathered to reflect on the significance of Juneteenth—the commemoration of the emancipation of the last enslaved African Americans in the United States—and to celebrate the enduring contributions of Black Americans to our nation's history and culture. A special highlight of the celebration was our thoughtfully curated menu, featuring recipes recreated by our talented kitchen team from cookbook author Nicole A. Taylor's *Watermelon and Red Birds: A Cookbook for Juneteenth and Black Celebrations*. Sharing these traditional dishes gave residents an opportunity to experience the flavors and stories that have become an important part of Juneteenth celebrations, making the day both educational and delicious.

JULY 2026

Monthly Reflection

Summer is off to a wonderful start, bringing plenty of opportunities to gather, celebrate, and enjoy the simple moments that make this season so special. Whether we've been spending time outdoors, sharing meals, enjoying live entertainment, or reflecting on meaningful occasions, each day has reinforced what we value most—creating joy, fostering connection, and building a true sense of community. Seeing residents, family members, and friends laugh together, make new memories, and simply enjoy one another's company is what makes every event worthwhile.

As we look ahead, we're excited to keep that momentum going with even more opportunities to get outside, stay active, welcome children into our community, and enjoy all that summer has to offer. As temperatures continue to rise, we'll also be making time to stay cool, hydrated, and safe so everyone can enjoy the season comfortably. We believe some of life's best moments happen when people come together, and we're grateful to our residents, families, staff, and volunteers for making Waltonwood Main such a warm and vibrant place to call home. Here's to a summer filled with more laughter, connection, and unforgettable memories!

Summer's the perfect time to mix things up and take our exercise routine outdoors. The fresh air and sunshine are the perfect combination to help reinvigorate the mind, body and soul. Before you head out the door ask yourself one thing, "What's the weather?" While knowing the temperature is a good start looking at other factors like humidity, dew point, air quality, precipitation and wind speed can also greatly impact the overall safety and enjoyment of your exercise experience. If you happen to be an individual who also suffers from respiratory issues, a quick check of the weather before you head out the door is an even more important first step. This summer get to know the elements because the better prepared you are for the conditions the better your exercise will be.
