CAMP WALTONWOOD

Join us in the Hundred Acre Waltonwood!

You're invited to a fun-filled Winnie-the-Pooh adventure at Camp Waltonwood. Children can explore activity stations throughout our community, including Tigger's Jump House, Rabbit's Garden, Pin-the-Tail on Eeyore, and more. Along the way, they'll collect pages to build their very own storybook, ending at Christopher Robin's Tree House where they'll receive the final page and a special prize.

We're also hosting a children's book swap! Families are asked to bring up to 3 gently used children's books to exchange for "new-to-you" favorites. Any unclaimed books will be donated to the community.

Fun for kids age 3 - 13

A parent or guardian must remain on-site with all of our campers.

RSVP by July 8th
*and let us know how many

JUNE PICTURE HIGHLIGHTS

FOREVER FIT: PROPER PREPERATION

Summer's the perfect time to mix things up and take our exercise routine outdoors. The fresh air and sunshine are the perfect combination to help reinvigorate the mind, body and soul. Before you head out the door ask yourself one thing, "What's the weather?" While knowing the temperature is a good start looking at other factors like humidity, dew point, air quality, precipitation and wind speed can also greatly impact the overall safety and enjoyment of your exercise experience. If you happen to be an individual who also suffers from respiratory issues, a quick check of the weather before you head out the door is an even more important first step. This summer get to know the elements because the better prepared you are for the conditions the better your exercise will be.

LIFE ENRICHMENT CORNER:

Happy July everyone!

This month we have our wonderful annual Camp Waltonwood! This is where children from local schools, communities or from our staff members can come to Waltonwood and enjoy a fun 2.5 hour long themed camp with all sorts of events and activities! This year we will be theming our camp as the Winnie the Pooh Hundred Acre Woods, filled with so many cute stations with all the best characters! Our goal is to get as many kids here that we can and that they have a wonderful experience exploring our community and joining in on the fun! If you would like to be a part of the experience in any way, please let Becca know, as there is still a lot to do before the 11th and we would love your help or participation! Thank you!!

I hope we continue to have a wonderful summer ahead of us, and as always, if there are any other activities, events, crafts, outings or anything you'd like to see in the future or next month, please let Becca know and she will try to schedule what you want to see on your upcoming calendars!

EXECUTIVE DIRECTOR CORNER

July starts what some refer to as "the dog days of summer" with temperatures rising to high levels be sure to remember to hydrate and take breaks from the outdoor heat. A fun way to kick off the dog days of summer at Waltonwood is through our Clear the Shelter Campaign where we support cat and dog adoptions in partnership with Huron Valley Humane Society and Bottle Babies. In addition, we are collecting pet supply donations at the community and our residents are working on items to drop off to these lovable fur friends! Check out Facebook & flyers at the concierge desk for all the fun ways to support. I am also happy to announce our Environmental Services Manager Art Romualdo will be starring with us on July 13th!! Let's give him a warm welcome back to our Cherry Hill community.
