JULY HIGHLIGHTS AT CAMP WALTONWOOD

TRANSPORTATION REMINDERS

Waltonwood University provides transportation to doctor appointments and other necessary pre-scheduled appointments. Residents must schedule transportation at least one full week in advance. In order to accommodate other community outings, these appointments need to be scheduled on Mondays and Thursdays from 9:00am – 2:00pm. All appointments must be within a 10-mile radius of the community. Exceptions to day and distance will be considered if driver is available and with approval of the Life Enrichment Manager. Please do not assume he is available without a scheduled appointment and written approval from our driver Rick or from a Life Enrichment Manager.

As our transportation varies day to day, keep in mind there may be an occasional wait for pick up. While we try to ensure residents are picked up as timely as possible, sometimes our driver may be dropping off another resident, dealing with traffic or poor weather, or other delays.

Transportation request forms can be found at the driver’s desk near the front concierge desk. Please see Life Enrichment Manager if you have questions or concerns.

ADVENTURE BY WALTONWOOD

Did you know Waltonwood offers a once in a lifetime program called Adventure!?

The Adventure program is designed to create unforgettable memories that are specific to our residents! In our previous adventures, residents have had the opportunity to experience moments such as:

- Hot Air Ballon Rides
- Private Tours of the Detroit Zoo
- Detroit Princess Riverboat Cruise
- Front Row Seats to Live Performances

If there is a unique experience that you’ve always wanted to enjoy, please speak with Alyssa to learn more and explore your ideas!!

August arrives with the warmth of summer and the promise of making the most of every sunny day. Named after Augustus Caesar, the month of August has long been associated with achievement, celebration, and abundance. It is a time when gardens are at their peak, families gather to enjoy the season, and communities come together to create lasting memories.

At Waltonwood University, August is a wonderful opportunity to embrace connection, adventure, and lifelong learning. As the summer season begins its gentle transition toward fall, we encourage residents to enjoy our outdoor events, social gatherings, wellness activities, and opportunities to spend time with friends and family. Whether you're attending a concert, participating in a fitness class, sharing stories with neighbors, or simply enjoying a peaceful afternoon in our beautiful community, there is something for everyone to enjoy.
