

2026 DONOR APPRECIATION ISSUE

WHY GROW?

This is the third consecutive issue of *Community Connections* to cover the ongoing construction at The Foothills Retirement Community in Easley.

This is the largest construction project ever undertaken by PCSC. It consists of four new buildings with 119 independent living apartments, a second memory care household with 24 units, a new event center and bistro, expanded dining and activity space for assisted living, and extensive renovations to common areas in the original buildings.

Given the scope of this investment, it is reasonable to ask: “Why this growth? Is it necessary?” PCSC believes prudent growth is both necessary and desirable, not only at The Foothills but at other locations we hope to expand as well.

The first reason comes directly from our mission statement: *We are a compassionate Christian ministry dedicated to enriching the quality of life for seniors of all faiths.* We

believe our retirement communities are fulfilling that mission, and we want to extend its reach. Simply put, we want to serve more residents and serve them better.

A second reason is the growing demand for senior living. The United States is experiencing a “silver tsunami” as Baby Boomers reach retirement age, and South

Carolina continues to attract large numbers of older adults from other states. Growing PCSC helps meet this increasing need.

The challenge is that new senior living communities are not being built quickly enough to keep pace with projected demand. Even seniors who can afford senior living are likely to face longer wait lists in the future. By expanding responsibly, PCSC can help address part of this growing supply-and-demand gap.

A third reason for this growth is the opportunity to refresh and modernize our facilities. Today’s seniors increasingly seek larger residences, expanded wellness opportunities, additional amenities and more dining options. These improvements will make life at PCSC even more attractive and enriching for current and future residents.

With gratitude to God, PCSC is blessed to be able to “enlarge our tent.” This prudent growth will expand and strengthen our ministry, helping ensure that PCSC continues to fulfill its mission successfully for decades to come.

Reverend Dr. Franklin Fant
President and CEO

PCSC FOUNDATION

The PCSC Foundation is a 501(c)(3) tax-exempt, non-profit organization that receives and manages charitable gifts given to support the mission and ministry of Presbyterian Communities of South Carolina (PCSC). You may make your charitable gifts to PCSC payable to the PCSC Foundation. Your gifts are tax-deductible to the extent allowed by law.

GRACE, GRATITUDE, AND THE JOY OF GIVING

We've heard it all. *It's more blessed to give than to receive. God loves a cheerful giver. Give until it hurts. Give until it feels GOOD! If you don't give, [fill in the blank] won't happen. We're counting on you.*

And when the dreaded Stewardship Season rolls around at church each year, many of us groan at the thought of hearing yet another sermon about how God has given us all we have and all we are and now expects some of it to be returned. Why didn't God just keep part of it in the first place and use it as God chooses? And why do churches and charitable organizations keep asking for support throughout the year? Don't they already have enough?

These are fair questions. But what often gets overlooked is the example God sets as the original giver. The spiritual value of giving comes down to two words: **grace** and **gratitude**. God gave first. Our response, as people of faith, is to express gratitude by giving back to the One who first gave to us. And because God continues to give, we continue to respond with grateful generosity.

Father Henri Nouwen, Dutch Catholic priest and author of Christian classics such as *The Wounded Healer*, explores this idea in his small but powerful book, *The Spirituality of Fundraising*. Nouwen posits that asking for financial support is not begging; it is a sacred invitation. It creates common ground where people discover deep joy through changing lives and supporting causes that nourish their souls. Philanthropy, in his view, is not an awkward transaction but a joyful ministry.

This issue of *Community Connections* celebrates that joyful ministry at Presbyterian Communities of South Carolina and the many people who sustain it. Founded in the late 1950s by South Carolina Presbyterians who believed they were called to care for older adults, this ministry has provided comfortable homes, compassionate care and faithful support through every stage of aging. For nearly 70 years, generous gifts have helped make that mission possible.

Thank you for your prayers, your trust and your continued financial support. Your generosity is a living testament to the joy that grows from God's grace and our response of gratitude.

With deepest gratitude,

William McConnell, CFRE

2026 MOTHER'S DAY OFFERING RESULTS

Since 1954, the Mother's Day Offering has provided Presbyterians across South Carolina an opportunity to support the ministry of Presbyterian Communities of South Carolina (PCSC). For most of the offering's 72-year history, gifts have exclusively funded charitable care for residents who, through no fault of their own, have exhausted their resources and need assistance to continue calling PCSC their home.

The generosity of South Carolina Presbyterians has been steadfast and deeply encouraging. PCSC honors you for embracing Jesus' words in John's Gospel: "I have said these things to you so that my joy may be in you and that your joy may be complete. This is my commandment, that you love one another as I have loved you" (John 15:11-12).

In 2026, PCSC is grateful to report that both congregations and individuals continue to strongly support the Mother's Day Offering. Thank you to everyone whose generosity undergirds this mission of serving senior adults of all faiths and allows it to continue to flourish.

If you or your congregation have not yet made a gift, there is still time. Visit **giving.prescommunities.org** to make a one-time or recurring contribution by credit card or direct debit. Thank you for your support.

Because of your generosity, gifts to the 2026 Mother's Day Offering (as of August 1) have reached nearly

\$186,000,

10% more than the 2025 offering.

THE TERRACES AT FOOTHILLS IS TAKING SHAPE!

With so much progress happening across campus, excitement is building at Foothills as construction of The Terraces at Foothills, the new Evergreen at Foothills memory care household and extensive renovations to the main building continue to move forward. Activity is evident everywhere, and residents, staff and visitors have demonstrated remarkable patience and flexibility as workers, equipment and vehicles transform this dream into reality. Their support is helping shape an exciting new chapter for the Foothills Community.

The Terraces will offer seven thoughtfully designed floor plans ranging from 1,351 to 2,111 square feet, with one-bedroom, two-bedroom and two-bedroom-plus-den options to suit a variety of lifestyles. Each residence will feature a bright, inviting sunroom with expansive windows, a full appliance package and the convenience of maintenance-free living. Reflecting both the beauty of the Upstate and the community's scenic setting, the buildings are named after beloved regional waterways: Jocassee, Keowee, Lanier and Issaqueena. The Jocassee, Keowee and Lanier buildings will include under-building parking, while Issaqueena will provide convenient access to the main campus and its many amenities. The first building is anticipated to welcome residents in Summer 2027, with the remaining buildings scheduled to open between late 2027 and mid-2028.

PCSC INTRODUCES NEW TECHNOLOGY IN MEMORY CARE HOUSEHOLDS

PCSC is excited to share that The Bridge at Foothills and Evergreen House at The Village have been equipped with innovative Tovertafel technology to enhance resident engagement in memory care households. Two additional Tovertafel systems have been purchased and will soon be operational in Jasmine Place at the Columbia Community and Mabry House at the Florence Community.

Tovertafel, Dutch for “Magic Table,” is an interactive game system designed for people with cognitive challenges. Using a projector, motion sensors, audio and specialized software, it displays light-based games on tables, floors, walls and other surfaces. Residents can interact with the games through simple hand and finger movements, encouraging cognitive stimulation, social connection and emotional well-being.

These engaging systems were made possible through unrestricted gifts to the PCSC Foundation. We are deeply grateful to the donors who trust us to invest their generosity where it can make the greatest impact and enrich the lives of our residents.

PCSC NAMES NEW EXECUTIVE LEADER

After a national search and interviews with numerous candidates, PCSC is pleased to announce the promotion of Elizabeth King, current Executive Director of The Village at Summerville, to the newly created position of Senior Vice President of Operations.

In her new role, Elizabeth will be based at the Management Services Office in Columbia and will report to Mandy Stamper, Executive Vice President and Chief Operating Officer. She will partner with executive directors and leadership teams across the organization to support community leadership, strengthen collaboration among campuses, and advance key strategic priorities. Most importantly, she will help ensure our communities continue to deliver exceptional service and care to residents.

Elizabeth brings more than 20 years of senior living experience, including 17 years in nonprofit Life Plan Communities. Her background includes Independent Living, Assisted Living, Skilled Nursing, Home Health and Home Care. Throughout her career, she has demonstrated a strong commitment to mission-driven leadership, operational excellence and resident-centered service.

During her seven years with Presbyterian Communities of South Carolina, Elizabeth has served as Director of Sales and Marketing and, for the past four years, Executive Director of The Village at Summerville. Under her leadership, The Village has thrived while maintaining a strong focus on resident satisfaction, team member engagement and community culture.

Elizabeth remarked, "I am honored to step into the role of Senior Vice President of Operations. I look forward to partnering with our teams across the organization to advance operational excellence while keeping our residents at the heart of everything we do."

PCSC congratulates Elizabeth on this well-deserved promotion, thanks her for her outstanding leadership at The Village, and looks forward to her continued contributions in this new role.

COLUMBIA COMMUNITY CELEBRATES

40 Years in Bloom

In June 1986, leaders of Presbyterian Home of South Carolina (the former name of Presbyterian Communities of South Carolina) gathered outside a brand-new building on the banks of the Saluda River in Lexington to dedicate the newly opened Columbia Presbyterian Home. Founding Administrator Peg Taylor and PHSC President Rev. Dr. Ron Crossley led the way into the just-completed facility, beginning the work of transforming an empty building into a vibrant community where older adults could continue living life to the fullest.

Forty years later, Taylor — now an active resident of the Columbia community — and Crossley, now retired, returned to celebrate alongside former PCSC President John Kelbaugh, current President

and CEO Rev. Dr. Franklin Fant, and several hundred residents, family members, current and former Board of Trustees members, staff, and honored guests. Together they filled the Tapp Dining Room and an outdoor celebration tent with music, memories and gratitude as they commemorated four decades of living, caring and community.

Led by current Executive Director Meredith Hughes, staff members welcomed residents and guests with beautifully prepared hors d'oeuvres, specialty beverages, displays highlighting four decades of memories and milestones, and an unmistakable sense of excitement for the future. In an event built around the theme, “40 Years in Bloom – A Celebration of Legacy and Community,” leaders past and

present, residents, family members and special guests reflected on the enduring legacy of the Columbia Community and the countless lives touched within its walls. Peg Taylor remarked, “When we opened these doors in 1986, I never imagined I’d one day live here myself. It’s been one of the greatest joys of my life to watch this community grow from a vision into a home for so many, including my husband, Mike, and me.”

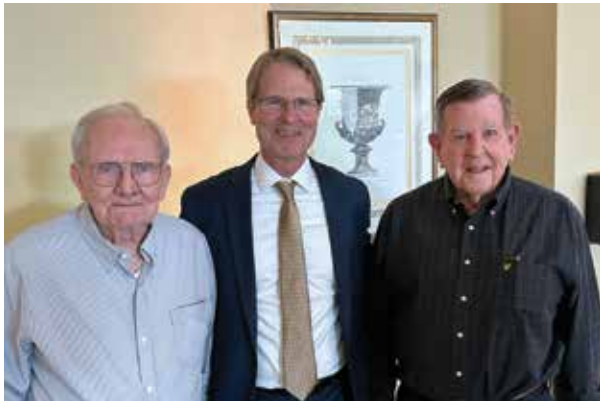

Congratulations to all who played a role in bringing the Columbia Community to this significant milestone, and best wishes to those who continue to lead, serve and shape this community into a shining beacon of care, compassion and excellence within the PCSC family for generations to come.

Residents and guests enjoyed the celebration.
