The Residences at Thomas Circle Monthly Calendar
is the result of joint effort of our resident-volunteers and TC Programming department, who plan on-site and off-site activities for our community.
On-Site and Off-Site Planning Groups first meet separately, and then once again together, to plan, coordinate and finalize activities for the following month and beyond. The meetings are listed on this calendar and highlighted in **red**; they are open to all residents (kindly note: November 4,10,18)

During planning meetings residents discuss community events, transportation services, and exchange ideas for upcoming months.
Please pay attention to our color code: all **off- site activities** are printed in **blue**.
All residents are invited to take part in these meetings. For more information, please contact Sena Quist at squist@thomascircle.com. *Join in, and bring your suggestions and ideas!*
